TECHNICAL SPECIFICATIONS

- Steel Toe Cap — 200 J Impact and 15 kN Compression Resistance
- Durable Cow Split Leather Upper — Highly Abrasion-Resistant
- Breathable Lining for All-Day Comfort in KSA Heat
- Slip-Resistant Rubber Outsole — Secure Grip on All Surfaces
- EN ISO 20345 S1 Certified — Fully HSE Compliant

OVERVIEW

The Shelter SH305 is a tough, reliable steel toe safety shoe built for Saudi professionals in construction, manufacturing and logistics. The cow split leather upper is hard-wearing and resistant to abrasion, while the breathable lining and cushioned insole keep workers comfortable through full industrial shifts.

Certified to EN ISO 20345 S1 — meeting the essential safety requirements for impact, compression and slip resistance on regulated KSA worksites.

IDEAL FOR

Construction workers, factory floor staff, warehouse operatives, logistics teams and general industrial workers across Saudi Arabia.
