HyFlex™

48-101

Designed for light applications that require good levels of comfort and abrasion resistance

Previously known as: Sensilite®

Multi Purpose | Light Duty

Black PU-coated multi-purpose gloves, designed for comfortable light-duty handling

- **Improved durability:** HyFlex™ 48-101 industrial gloves feature ANSI/ISEA and EN certified abrasion resistance for longer-lasting wear
- **Augmented dexterity:** Their thin, flexible nylon liner ensures optimal dexterity, for ease of use in daily applications
- **Black color:** The darker shade of these HyFlex™ gloves masks dirt, for extended glove life
- **Optimized tactility:** Equipped with thin palm-dipped polyurethane coating, HyFlex™ 48-101 safety gloves benefit from excellent tactile sensitivity, for precise handling in dry or slightly oily environments
- **Genuine versatility:** Lightweight, durable and tactile, these HyFlex™ gloves can be used for a variety of different applications

Industries

- Automotive

Applications

- Chassis assembly, body trimming
- Production line support & maintenance
- Equipment repair & maintenance
- Assembly and disassembly of equipment
- Loading and unloading rough parts or boxes
- Picking parts and accessories

HyFlex™
