KEY FEATURES

STEEL TOE PROTECTION
Steel toe cap protects against impact and compression hazards.

ANTI-SLIP OUTSOLE
High-traction rubber outsole provides excellent grip on various surfaces.

STEEL PLATE MIDSOLE
Penetration-resistant steel plate prevents sharp objects from reaching the foot.

MEMORY FOAM COMFORT INSOLE
Cushioned insole conforms to the foot for superior comfort and reduced fatigue.

BREATHABLE MESH UPPER
Soft mesh lining enhances airflow to keep feet cool and comfortable all day.

DURABLE SUEDE LEATHER
Premium suede leather upper delivers long-lasting durability and a professional look.
