FEATURES

- Manufactured from strong **virgin HDPE** material for excellent impact protection.
- Fitted with **6-point suspension system** with height adjustment.
- **Reduced peak** for improved upward visibility.
- Extended **nape band** providing increased neck protection.
- **Lightweight, stylish and comfortable** for day-long use.
- Optional **crown and rear ventilation** system for better air circulation.
- **Universal slots** for fitting a wide range of face and hearing accessories.

CARE & USE

STORAGE	Store in a cool, dry place. Do not store in direct sunlight or high heat, as this may distort the shell.
LIFETIME	Hi-TEX safety helmets have an in-use life of up to 5 years. Excessive wear and tear can considerably reduce the lifespan of the product.
CLEANING	Clean using warm water with soap and a soft cloth.
DISPOSAL	Recycling is preferred when possible.
