OVERVIEW

The Shelter SH707S is a classic lace-up steel toe safety shoe in black — built for Saudi industrial environments where a smart, professional look is required alongside full S1 protection. The black colourway is universally accepted across construction, manufacturing and facilities management roles in KSA.
Certified to EN ISO 20345 S1 — fully compliant for HSE-regulated Saudi worksites.
Ideal for: industrial workers, construction operatives and facilities management staff across Saudi Arabia.
