ACTIVARMR™

47-200

Coated glove on fingers and palm with high breathability

Previously known as: Easy Flex® 47-200

Oil | LD Light Duty

Nitrile-coated work gloves with excellent grip, offering a more durable alternative to cotton

- **Assured protection:** ActivArmr™ 47-200 lightweight nitrile-coated gloves provide greater abrasion resistance* and hand protection against snags, punctures and cuts than standard 8oz/227g cotton or string-knit alternatives
- **Elevated comfort:** These ActivArmr™ gloves boast a flexible ergonomic design, with grip-enhancing nitrile coating on the fingers and palm, leaving the back of the hand with a cooler, more breathable feel

**they last 5x longer than standard cotton alternatives*

Industries

- Automotive
- Automotive Aftermarket

Applications
