PRODUCT DATA SHEET

# 63.622.0

## ULTRATRAIL OLIVE CTX MID – Mid Safety Boot
## S3 ESD WR HRO SRC / S7S ESD FO HRO SR · Metal Free

Fiberglass Toe Cap | FAP® Midsole | COA.TEX® Membrane | XTS TRAIL Sole HRO 300 °C | iF Design Award 2019

*Ultratrail Olive CTX Mid – black-olive leather & textile*

## KEY FEATURES

### Metal-Free Protection
Fiberglass (composite) toe cap and flexible FAP® textile anti-penetration midsole

### COA.TEX® Membrane
Water resistant, windproof and breathable; bumper of rubber in the toe area

### XTS TRAIL + IMPULSE.FOAM®
Rubber outsole heat resistant to 300 °C, slip resistant; energy-return midsole

## KEY DATA

| | |
|---|---|
| **ART. NO.** | 63.622.0 (636220) |
| **BRAND** | ALBATROS® – ISM GmbH, Lippstadt, Germany |
| **DESCRIPTION** | Ultratrail Olive CTX Mid – mid safety boot, composite toe, COA.TEX® membrane |
| **STANDARD** | EN ISO 20345:2011 S3 ESD WR HRO SRC · EN ISO 20345:2022 S7S ESD FO HRO SR |
| **UPPER / LINING** | Leather with abrasion-resistant textile inserts · Breathable functional lining |
| **COLOR** | Black-olive |
| **SIZES** | 39 – 47 · Men |
| **ORIGIN** | China |
| **PACKAGING** | Boxed · Care: hand wash |

## TECHNICAL SPECIFICATIONS

### TECHNOLOGIES

- **XTS TRAIL outsole:** easy-to-clean, non-slip, abrasion-proof rubber, heat resistant up to 300 °C (HRO); wide flex grooves and water-displacing cleat profile.
- **IMPULSE.FOAM® midsole:** two densities react to each step with an energy impulse – cushioning, energy return and stability.
- **FAP® midsole:** non-metallic multi-layer textile anti-penetration; flexible, cold-insulating, shock-absorbing.
- **COA.TEX® membrane:** microporous structure keeps water out and lets moisture escape.
- **comfit® AIR footbed:** anatomical, heel/ball elevations and arch support; odour-resistant cover, washable at 30 °C.

### COMPONENTS – ALBATROS

| | |
|---|---|
| **PROTECTION** | Fiberglass toe cap, FAP® midsole |
| **PLUS** | COA.TEX® membrane, rubber toe bumper |
| **UPPER** | Leather, abrasion-resistant textile |
| **LINING** | Breathable functional lining |
| **FOOTBED** | comfit® AIR, anatomically formed |
| **MIDSOLE** | IMPULSE.FOAM® |
| **OUTSOLE** | XTS TRAIL rubber, 300 °C, slip resistant |
| **HEIGHT** | Mid |
| **PROPERTIES** | Composite · Slip resist. · HRO · WR · Metal free |
| **AWARD** | iF Design Award 2019 |
