LENGTH	230–270 mm / 9.05–10.62 in
PACKAGING	12 pairs per bag, 12 bags per carton

TECHNICAL SPECIFICATIONS

DESCRIPTION

- **Increased Dexterity and Flexibility:** The economical choice for a wide range of handling and carrying applications, with greater durability than alternative medium-weight cotton or leather gloves
- **Improved Durability:** A cost-effective solution for general, medium-weight applications requiring a good level of abrasion and tear resistance
- **Optimized Grip:** Natural rubber latex coating ensures a secure grip in wet and dry environments
- **Food Handling Compliance:** Composed of FDA-compliant materials; also suitable for food packaging

PRODUCT DETAILS

ANTISTATIC	Not Tested
COATING COLOR	Blue
COATING MATERIAL	Natural Rubber Latex
CONSTRUCTION	Knitted
CUFF STYLE	Knit Wrist
FINISHING	Palm-Coated
GAUGE	10
GRIP DESIGN	Crinkle Finish
LINER COLOR	Black
LINER MATERIAL	Polyester
SILICONE FREE	No
WASHING TEMPERATURE	40 °C (104 °F)

RECOMMENDED FOR

Shipping; street cleaning and refuse collection; general handling; packaging.

PRIMARY INDUSTRIES

Automotive; Chemical; Transportation.
