LINER MATERIAL	Polyethylene, Spandex, Polyester	**LINER COLOR**	Grey
GAUGE	13	**CONSTRUCTION**	Knitted
FINISHING	Palm Coated	**CUFF STYLE**	Knit Wrist
LENGTH	210–270 mm / 8.27–10.63 in	**AVAILABLE SIZES**	5, 6, 7, 8, 9, 10, 11
ANTISTATIC	Not Tested	**LATEX FREE**	Yes
SILICONE FREE	No	**WASHING TEMP.**	40 °C (104 °F)
PACKAGING	12 pairs per bag, 12 bags per carton	**INDUSTRIES**	Automotive

TECHNICAL SPECIFICATIONS

DESCRIPTION

- **Optimized Durability:** EDGE™ 48-701 industrial gloves' palm PU coating provides a high level of abrasion protection (ANSI 6), moderate cut resistance (ANSI A2), a good grip in dry environments, and better protection against oil than knitted or cut and sewn safety work gloves.
- **Increased Protection:** EDGE™ 48-701 protective gloves provide two levels of cut performance, affording robust, all-round hand protection in medium-weight applications.
- **Enhanced Features:** A more affordable alternative to medium-duty leather, thick cotton or aramid gloves, EDGE™ 48-701 high-quality work gloves offer a seamless liner and knitted wrist, which deliver form-fitting comfort, good dexterity and added wrist protection.

RECOMMENDED FOR

- Aeronautics
- Assembly Line
- Assembling Metal Parts and Components
- Handling Sharp or Irregular Metal Pieces
- Molding
- Plastic Injections
