HyFlex™

11-727

Cut protection built 2x more durable

Cut | Abrasion Protection | MD Medium Duty

ANSI/ISEA 105-2024 A2/EN ISO B cut protection built 2x more durable

- **Engineered toughness:** HyFlex™ 11-727 gloves provide level 6 abrasion resistance and 2x more durability vs competition*
- **Advanced cut performance:** Featuring INTERCEPT™ Technology to deliver ANSI/ISEA 105-2024 A2/EN ISO B cut protection, achieving higher performance within the same cut class
- **Enhanced comfort:** Breathable, lightweight construction supports all-day comfort and movement
- **Heightened grip:** Provides secure handling in dry and slightly oily conditions
- **Improved practicality:** Available in vend pack form for convenient replenishment

* Comparison is based on Ansell lab tests under standardized conditions in December 2025 versus similar competitive gloves. Results may vary by application.
